NAC&U Campus Trivia: Who's Haunting *Your* Summer Getaway?

Belmont University is built on what was originally the 19th century summer villa of Adelicia Acklen, one of the wealthiest women of the antebellum South who is said to still haunt the 1900 square foot Belmont Mansion that sits at the entrance of campus. Her original "Belle Monte" estate contained lavish gardens, an aviary, bowling alley, zoo and the largest private art gallery in the South.
